Editorial

The latest edition of ESI Samachar truly encapsulates the dynamism and commitment of ESIC in fostering progress and innovation. It is heartening to witness the diverse array of initiatives and achievements highlighted within these pages, showcasing the organization's unwavering dedication to its stakeholders.

Significant events have been included, such as the inauguration and dedication of 21 ESIC projects, including medical colleges, hospitals, and dispensaries, by Hon'ble Prime Minister Shri Narendra Modi. These projects aim to bolster healthcare infrastructure across various Indian states and enhance healthcare services for insured persons and their families. Dr. Mansukh Mandaviya and Ms. Shobha Karandlaje took charge as a Union Minister of Labour & Employment and as a Minister of State for Labour & Employment, respectively.

Dr. Mansukh Mandaviya's review of the workings of ESIC and his vision to strengthen ESIC's medical infrastructure to cater to quality medical needs is pivotal for the organization. Shri Kamal Kishore Soan, a senior IAS officer from the Jharkhand cadre has assumed the additional charge of Director General of the ESIC.

The 232nd meeting of the Standing Committee, held under the chairmanship of Ms. Sumita Dawra, Secretary, Ministry of Labour and Employment, highlights ESIC's proactive governance. Celebrations of World Environment Day and International Day of Yoga 2024, visits by dignitaries, a fire mock drill conducted at ESIC Regional Office, Faridabad, and the milestone achievement of the first live renal transplant at ESIC Medical College & Hospital, Faridabad, are testaments to the organization's continuous efforts toward improvement and excellence.

ESI Samachar remains a vital source of information, providing readers with insights into the latest developments within ESIC. The continued support and readership are a testament to the importance of this platform, and it is evident that ESIC's dedication to progress and innovation is resonating with its audience.

Thank you for keeping us informed and inspired. We look forward to witnessing ESIC's continued success and contributions to the field of healthcare.

Director General's Message

The Employees' State Insurance Corporation (ESIC), India's premier social security organization, steadfastly upholds its mission to deliver comprehensive social protection benefits to eligible workers. Over the decades, ESIC has been pivotal in extending healthcare and social security benefits to organized sector workers covered by the ESI Act.

ESIC in its pursuance of providing comprehensive health care service to its beneficiaries has recruited 1221 doctors in last two months. Further we are in the process of filling 1930 vacancies in the Nursing cadre.

Earlier this year, to reinforce ESIC's healthcare infrastructure and cater to the medical needs of the IPs and beneficiaries, Hon'ble Prime Minister Shri Narendra Modi inaugurated and dedicated 21 ESIC projects worth Rs. 2280 crore, which included medical colleges, hospitals and dispensaries on 25.02.2024.

The provisional payroll data for April'2024 reflects that 16.47 lakh new employees have been added, with a substantial 47.60% belonging to the age group of upto 25 years. The inclusion of 3.38 lakh female members and 53 transgender employees further emphasises our commitment to inclusivity.

During the 232nd Standing Committee meeting of the ESI Corporation held on 19.06.2024 the Annual Accounts 2023-24 of the ESI Corporation was approved.

ESIC observed the 10th International Day of Yoga across all its field offices, hospitals and medical institutions with fervor on 21.06.2024. I also participated in the Yoga Day celebration during my visit to ESIC Medical College & Hospital, K. K. Nagar, Chennai and ESIS Hospital, Puducherry.

Kamal Kishore Soan, I.A.S.
Director General, ESIC

Dr. Mansukh Mandaviya Takes Charge as Union Minister of Labour & Employment

Dr. Mansukh Mandaviya assumed office as the Union Minister of Labour & Employment in New Delhi on June 11, 2024. He also holds the portfolio of Union Minister of Youth Affairs and Sports.

Dr. Mandaviya previously served as the Union Minister of Health and Family Welfare, and Chemicals and Fertilizers in the previous government.

Dr. Mandaviya won the Lok Sabha seat from Porbandar, Gujarat. Earlier, he was a member of the Rajya Sabha from 2012 to 2024 and served as a member of the Gujarat Legislative Assembly from Palitana from 2002 to 2007.

The Hon'ble Minister was welcomed by Ms. Sumita Dawra, Secretary of Labour & Employment, along with other senior officials of the Ministry.

Ms. Shobha Karandlaje Takes Charge as Minister of State for Labour & Employment

Ms. Shobha Karandlaje assumed office as the Minister of State for Labour & Employment in New Delhi on June 11, 2024. She also holds the office of Minister of State for Micro, Small, and Medium Enterprises.

Ms. Karandlaje previously served as the Minister of State for Agriculture and Farmers Welfare, and as the Minister of State for Food Processing Industries in the previous government.

Prime Minister Shri Narendra Modi inaugurated and dedicated 21 ESIC projects worth ₹ 2280 Crore

The Hon'ble Prime Minister inaugurated and dedicated 21 ESIC projects including Medical Colleges, Hospitals, and Dispensaries across the country via video conferencing from Rajkot, Gujarat, on 25.02.2024. These projects, costing ₹ 2280 crore, aim to enhance healthcare infrastructure and services across various states in India.

The projects include the inauguration of two ESIC Medical

Colleges and Hospitals in Alwar (Rajasthan) and Bihta (Bihar). Additionally, eight ESIC hospitals in Korba (Chhattisgarh), Udaipur (Rajasthan), Adityapur (Jharkhand), Phulwari Sharif (Bihar), Tiruppur (Tamil Nadu), Kakinada (Andhra Pradesh), and Raigarh & Bhilai in Chhattisgarh were dedicated to the nation. Furthermore, three dispensaries in Neemrana, Abu Road, and Bhilwara in Rajasthan were also part of this initiative.

The Prime Minister also inaugurated ESI dispensaries at eight locations, including Alwar, Behror & Sitapura in Rajasthan, Selaqui (Uttarakhand), Gorakhpur (Uttar Pradesh), Koratty & Navaikulam in Kerala, and Pydibhimavaram (Andhra Pradesh). These dispensaries will provide healthcare services to insured

persons and their families under the ESI scheme.

It is anticipated that these initiatives will benefit over 56 lakh ESI beneficiaries across various states by ensuring better healthcare facilities and services closer to their residences.

Shri Kamal Kishore Soan Takes Over as Director General of ESIC

Shri Kamal Kishore Soan, a senior IAS officer from the Jharkhand Cadre (Batch: 1998), currently serving as Additional Secretary and Director General of Labour Welfare in the Ministry of Labour & Employment, assumed the additional charge of Director General of the Employees' State Insurance Corporation (ESIC) under the Ministry of Labour & Employment on May 31, 2024.

Union Minister Reviews the Workings of ESIC

Shri Mansukh Mandaviya, Hon'ble Union Minister for Labour & Employment, chaired a meeting at Shram Shakti Bhawan, MoL&E, on June 24, 2024. During the meeting, the Union Minister reviewed the workings and operations of various departments under the Ministry of Labour & Employment. Various issues and matters related to ESIC were also deliberated

upon, including the expansion of the ESI Scheme in uncovered districts, the convergence of ESIS/ESIC hospitals with PM-JAY empanelled hospitals, accelerating AADHAR coverage and ABHA generation for all beneficiaries, and the integration/utilization of the e-Sanjeevani platform with the ESIC medical system.

Strengthening ESIC's Infrastructure for Enhanced Service Delivery

Keeping in view the ever-increasing number of IPs and beneficiaries, the Hon'ble LEM aims to strengthen ESIC's medical infrastructure to cater to their quality medical needs. Emphasis is to be laid on the expansion of the scheme in uncovered districts, thereby ensuring more workers have access to healthcare and social security benefits. Implementation of digital solutions to streamline processes for beneficiaries, such as online registration, e-health records and telemedicine services, will be a focus to improve

access and efficiency. Collaboration with the state governments and private sector stakeholders will be also aimed at leveraging expertise, resources and best practices in healthcare delivery and social security. The overarching vision is to build a robust ESIC framework that comprehensively supports the healthcare and social security requirements of India's workforce, thereby fostering both health and economic security.

Implementation of Programme Implementation Plan (PIP) and Common Support Mission (CSM) in the ESIC Corporation

A. Common Support Mission (CSM)

The Common Support Mission policy aims to improve ESIS medical facilities by rewarding high performers and supporting those not meeting norms. Mission teams will visit states to evaluate:

- Land and building infrastructure and new proposals.
- Health services delivery against benchmark standards.
- Dhanwantri hardware, data connectivity, and implementation.
- Adequate and trained manpower.
- Availability of drugs, dressings, consumables, and equipment.
- Referral statistics and expenditure.

Headed by a retired ESIC or MoHF&W officer, mission teams will visit states as scheduled. The Regional Director, with DIMS and State Government, must provide necessary data and support, including logistics and coordination.

B. Programme Implementation Plan (PIP)

The PIP process monitors state performance and links it with future proposals for new or upgraded medical facilities. States must submit annual proposals for new hospitals/dispensaries and upgrades, assessed based on CSM team evaluations and state presentations. Recommendations will be made by the Director General, ESIC, to the Competent Authority.

All DIMS/Zonal MCs/Zonal ICs/RDs should review the policy document and take necessary action.

Expansion of ESIC Medical Services and Infrastructure in North East Region and Sikkim

The ESIC Corporation, in its 193rd Meeting held on 17.02.2024, has approved the expansion of ESIC Medical Services and Infrastructure in the North East Region and Sikkim as follows:

1. Two Doctor Dispensary:

Initially, 'one doctor' dispensaries with a minimum IP population of 1000 and '100 bedded hospitals' with a minimum IP population of 15000 were approved for North East States. However, in the 181st meeting held on 13.02.2020, the Corporation decided to discontinue 'one doctor' dispensaries due to their inability to meet primary care needs.

Given the low population density in the Northeast, including Sikkim, the requirement of 2000 IPs for two doctor dispensaries and 15000 IPs for catchment areas is unfeasible. Therefore, it is proposed to upgrade all one doctor dispensaries to two doctor dispensaries with a minimum of 1000 IPs. These dispensaries will serve as hubs, providing medical facilities to surrounding areas, including mobile van services. Primary care may also be

provided through IMP and tie-ups with PMJAY empaneled private hospitals. The second doctor will be posted based on the needs of surrounding districts. Data on patient footfall will be reviewed, and options like mobile van dispensaries, telemedicine, and mIMP will be considered before implementation.

2. Relaxation of Norms for Catchment Area (Medical Infrastructure):

The sparse IP population in the Northeast requires flexible catchment areas, allowing the clubbing of 2-3 districts into one catchment area. If commuting to the HUB dispensary from an adjoining district (SPOKE) takes up to 3 hours or 100 km, doctors from the HUB dispensary will visit these districts regularly to provide mobile medical services. This approach will be supplemented by alternative tie-up arrangements.

Medical and Insurance Commissioners, all DIMS (North East Zone), and Regional Directors are requested to initiate action accordingly.

An Inspirational Journey: Dr. Ipsita Pradhan's Success Story

Dr. Ipsita Pradhan, the daughter of Sh. Sukant Kumar Pradhan, an insured person (IP) of ESIC, has achieved a remarkable milestone by successfully gaining admission to the ESIC Medical College and now proudly holds the title of a doctor.

Dr. Ipsita Pradhan's story is truly awe-inspiring. Residing in Bhubaneswar, Odisha, her journey began when she was selected for admission to the ESIC Medical College through the ESIC selection process. This prestigious opportunity set the foundation for her future in medicine. Over the course of five and a half years, she diligently pursued her MBBS, dedicating herself to the rigorous demands of medical education.

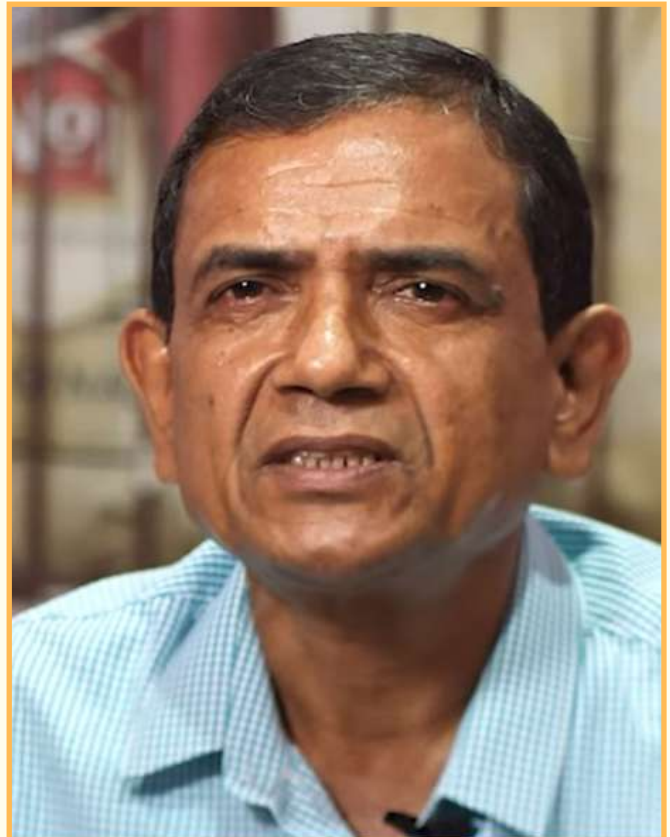

Today, Dr. Ipsita Pradhan stands as a testament to perseverance and hard work. She attributes her success to the unwavering support provided by ESIC. Their assistance played a crucial role in her academic journey, enabling her to realize her dream of becoming a doctor.

Dr. Ipsita Pradhan expressed her heartfelt gratitude to ESIC, acknowledging the organization's pivotal role in her success. Her story not only highlights the importance of supportive institutions like ESIC but also serves as an inspiration to many aspiring medical professionals.

संकट के साथी: गंगा सिंह और भावेश की कहानी

ईएसआई योजना के तहत ईएसआई बीमाकृत कामगारों एवं उनके आश्रितजनों को स्वास्थ्य एवं सामाजिक सुरक्षा का हितलाभ प्रदान किया जाता है। यह योजना उनके बुरे समय में संकट का साथी बनकर उभरती है। राजस्थान निवासी गंगा सिंह और भावेश की कहानी इस बात का प्रमाण है कि ईएसआई योजना ने उनके जीवन में किस प्रकार महत्वपूर्ण भूमिका निभाई।

गंगा सिंह और भावेश, दोनों ही ईएसआई बीमित कामगार हैं, जिन्होंने अपने जीवन में कठिन परिस्थितियों का सामना किया। इन कठिन परिस्थितियों में, ईएसआई योजना ने उन्हें आवश्यक चिकित्सा सहायता और आर्थिक सुरक्षा प्रदान की। ईएसआई योजना

के तहत मिले संपूर्ण स्वास्थ्य देखभाल और सामाजिक सुरक्षा के कारण वे अपने बुरे समय में भी मजबूती से खड़े रह सके।

गंगा सिंह और भावेश की यह प्रेरणादायक कहानी बताती है कि ईएसआई योजना कैसे लाखों कामगारों और उनके परिवारों के लिए एक महत्वपूर्ण सहारा बन चुकी है। ईएसआई योजना ने न केवल उन्हें स्वास्थ्य सुविधाएँ प्रदान की, बल्कि उनकी सामाजिक सुरक्षा सुनिश्चित कर उनके जीवन को भी सरल और सुरक्षित बनाया।

ईएसआई योजना के तहत मिले इस अमूल्य सहयोग के लिए गंगा सिंह और भावेश धन्यवाद देते हैं और दूसरों को भी इसके फायदों के बारे में बताते हैं।
